

Dear Parents,

This week we have started to collect "WOW work" for our display in school. These are pieces of work, which celebrate the children's achievements in a range of subjects. It is a great showcase of the high standards we achieve and also demonstrates the progression between classes. There were so many amazing examples to choose from!

Test and Trace

Public Health England have produced a letter for schools to distribute which explains when a person requires a coronavirus test and what the symptoms of coronavirus are. You can view the letter on the NEWS page of our school website.

Dates for October
