

Dear Parents,

Well done for completing the first FULL week of school! It has been really good to have run the full timetable and get the pupils back into routine.

It can be tricky deciding whether or not to keep your child off school when they're unwell. The NHS website and page "Is my child too ill for school?" has an excellent guide about what to do if your child is unwell: <https://www.nhs.uk/live-well/healthy-body/is-my-child-too-ill-for-school/>

There are government guidelines for schools and nurseries about [managing specific infectious diseases at GOV.UK](#). These say when children should be kept off school and when they shouldn't. This is the guidance we follow.

If you do keep your child at home, it is important to phone on the first day. Let us know that your child won't be in and give a reason. If your child is well enough to come to school but has an infection that could be passed on, such as a cold sore or head lice, let us know.

Coronavirus (COVID-19)

Keep your child off school if they have any of the main symptoms of COVID-19:

- a high temperature
- a new, continuous cough
- a loss or change to their sense of smell or taste

Stay at home and get a test for your child.

You can still send your child to school if they have a [sore throat](#). But if they also have a high temperature, they should stay at home until it goes away.

Macmillan Cake Sale

Our first school event will be held on Friday 24th September at 3:25pm (school pick up time).

We would love for you to bake cakes, muffins, biscuits, flapjacks or any other baked goods for this charity event. Please bring them into school in the morning and we will set up the tables ready for the end of the day. You are welcome to send in money with your child in the morning or bring it after school when you collect them.
